

ARTIFICIAL INTELLIGENCE

You are Invited to
a Parent Informational Night
about AI
with Adam Chiara

TUESDAY, MARCH 25, 2025
6:00PM

**St. Patrick Cathedral
Church Hall**

**Hosted by: St. Patrick
Cathedral School**

AI is not a fad; it's the future.
The question is, however, what kind of future will it
be for our children?

**For more information: Please
contact the school at 860-889-4174**

Adam Chiara is an Applied Associate Professor in the School of Communication and a multimedia storyteller. He teaches courses in social media, public relations, and digital media.

As an authority on media-related issues, he's a skilled communicator who educates the public about evolving topics in the field of communication, especially social media. Whether in the classroom, on camera, in front of an audience, or in his writing, Chiara draws on his vast experience working in journalism, public relations, and politics.
